

## PROTECTING DIGITAL ASSETS. SECURING BUSINESS TRUST.

In today's connected world, security is not optional it's essential.

At **HOBM Technologies**, we provide comprehensive **cybersecurity services** that safeguard your data, networks & digital infrastructure from evolving cyber threats. Our solutions ensure your business operates with confidence, resilience and compliance across all digital touchpoints.

### CYBER RISK ASSESSMENT & SECURITY AUDITS

Identify vulnerabilities before attackers do.

- IT infrastructure risk evaluation.
- Vulnerability scanning and penetration testing.
- Compliance and governance assessments (ISO, NIST, GDPR).

### INCIDENT RESPONSE & THREAT MANAGEMENT

Respond rapidly and minimize business impact.

- 24/7 threat monitoring and detection.
- Cyber incident response and digital forensics.
- Real-time threat intelligence and remediation.

### SECURITY AWARENESS & TRAINING

Empower your workforce to become your first line of defense.

- Phishing simulations and awareness programs.
- Security compliance workshops.
- Best practices for safe digital behavior.

### NETWORK & ENDPOINT PROTECTION

Secure every device & connection across your enterprise.

- Next-generation firewalls and intrusion detection.
- Endpoint security and data loss prevention (DLP).
- Secure access management & zero-trust architecture.

### CLOUD & APPLICATION SECURITY

Protect your cloud and software ecosystems from modern cyber risks.

- Cloud security configuration and monitoring.
- Web and mobile application security testing.
- DevSecOps & secure software development practices.

### WHY HOBM TECHNOLOGIES:

- Certified cybersecurity experts (CISSP, CEH, ISO 27001).
- End-to-end protection from risk assessment to threat response.
- Commitment to **resilience, reliability & trust**.
- Proven track record with **financial institutions, public organizations response** and **enterprises**.

## SECURE TODAY. PROTECT TOMORROW.

Partner with **HOBM Technologies** to build a stronger, smarter and more secure digital enterprise.
